

4 CE Credits

The Universal Trend in Dentistry for a Simplified and Systematic Practice

Friday, September 12, 2025 | 8:00 AM-12:00 PM

Training Umbrella

10551 Barkley Street Suite 102
Overland Park, KS 66212

Cost: Complimentary

Kerr provides all course materials.

This course will be a review of current universal materials that streamline and improve patient care while reducing frustration and overhead costs.

Learning Objectives:

- Explore how to improve clinical success with efficient, predictable, and easy to use materials.
- Discuss simplifying your workflow and dental materials to help minimize frustration and expenses.
- Determine techniques that can reduce overhead, simplify procedures and improve overall efficiency.
- Understand the benefits of incorporating universal products in your workflow to improve efficiency, streamline procedures, and get predictable results.

Opt-in to receive Kerr emails' to receive your CE certificate via email after the event.

Presented by: Dr. Matthew Miller

Dr. Matthew Miller is a national and international lecturer and has been published in Inside Dentistry as well as multiple white papers on the subjects of endodontics and restorative dentistry. He received his undergraduate degree from the University of North Carolina at Chapel Hill in 2003, and his Doctorate of Dental Surgery with High Distinction from New York University College of Dentistry in 2007. Dr. Miller is continuously studying and learning to improve his work and was approached by KaVo Kerr to be a member of their Endodontic Advisory Board in 2016, and is also now a member of their Restorative Advisory Board as well. He has since been named a Key Opinion Leader in the industry and plays an important role in the development of dental materials, equipment, and technology. He also consults and lectures on 3D imaging technology and advancements in endodontic therapy, restorative techniques and materials including root canal file and obturation systems, cements, fillings, and bonding. Dr. Miller serves as a clinical trainer for dentists and dental professionals. He is also a clinical evaluator and consultant for The Dental Advisor and is a member of their editorial board. Dr. Miller maintains a private group practice in Huntersville, NC, where he specializes in cosmetic restorative and complex dental treatment.

DEXIS/Kerr Dental Education is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board or dentistry or AGD endorsement. The current term of approval extends from 4/1/2023 to 3/31/2025 AGD Provider ID # 415937
